INFORMATION DISCLOSURE STATEMENT

The subject application is a continuation of a previously-filed parent application.

Reference is made to previously filed Application Serial No. 09/989,502, filed November 20, 2001, now U.S. Patent No. 6,719,150, issued April 13, 2004, for the art supplied and of which Applicants are aware. Applicants wish to make of further reference in the subject application two prior art references in the form of brochures, copies of which are enclosed herewith.

A Form PTO 1449 listing the references from the parent application and the two further cited references is attached herewith. Inclusion herein of any particular item of information, however, is not to be construed as an admission that the same is prior art. Applicants request that the Examiner indicate his or her consideration of the references by initialing this form, and Applicants request this information be printed on the face of the patent.

Copies of all the references cited by Applicants or the Examiner in the previously-filed parent case are available in the application file, but Applicants will be pleased to provide further copies, if requested.

If any fees are deemed required, Applicants request that this be considered a Petition therefore, and the Director is hereby authorized to charge such fees to Deposit Account No. 09-0528.

Respectfully submitted,

C. Robert Rhodes
